Purchase

How do I purchase investment shares?

1. Enter the desired purchase amount in the appropriate field or use the slider to move it to the value you need.
2. Check the box:

"I have read the investment offer and agree to invest the amount I have specified."

3. Click the **Buy** button.

Once your purchase is confirmed, the specified amount will be automatically debited from your investment account, and the technology investment shares will be credited to your account.

Important! If you have no previously purchased technology investment shares, then upon your first purchase, an additional schedule to the agreement will be drawn up, Technology Investment Offer, which you agree to by checking the box.

After making a purchase, go to the Documents section, then the Schedules tab, and sign this document.

The screenshot shows the MLC Investments section for user Ivan Petrov. The 'Credited shares' tab is selected. Below the navigation tabs, there is a summary of the investment: 'CGM system technology development (R&D)' with a total of 28,000 items. A table below shows the 'CREDITED AMOUNTS HISTORY' with columns for Transaction number, Payment date, Reason for payment, Stage number, Payment number, Payment amount, Amount of the discount, Number of shares, and Total shares. A red box highlights the 'Credited shares' tab, and another red box highlights the 'CGM system technology development (R&D)' entry in the table, with a red arrow pointing to the date range '18.05.2026 - 19.05.2026'.

Where can I see my purchased shares?

Information on accrued investment shares and their total amount can be viewed:

- in the **Investments** section;
- in the **Credited Shares** tab.

In the drop-down menu, select:

"Development and implementation of technologies for continuous glucose monitoring systems (R&D)".

Restrictions on purchasing technology investment shares

The purchase of technology investment shares is not available to the following categories of users:

- unverified participants;
- individuals under 18, including when the account is managed by a legal representative;
- investors who are citizens or residents of the following countries:

UAE, Australia, Belarus, Canada, UK, Iran, Japan, North Korea, Russia, USA.

For such users, a notification will be displayed in the **Invest in Technology** tab of the **Invest** section when they navigate to it.
